CABINET OF THE GRAND MASTER AND HEAD OF THE STATE

DECLARATION ABOUT THE TRAGIC EVENTS IN BRUSSELS

“The Qur'an is considered as a love letter from Allah, ...”

Muhammad Tahir-ul-Qadri, Imam Bukhari and the Love of the Prophet

The Grand Master and Head of the State of the Federation of Autonomous Pories of the Sovereign Order of St. John of Jerusalem, Knights of Malta - KMFAP -, on behalf of the Government of the Federation and also of all it's Knights and Dames, comes to express publicly its most vehement repulse for the coward terrorist attacks that took place today in Brussels, and to present to the families of the victims its most sincerely felt condolences.

The Prophet Muhammad once said: “*You will not enter paradise until you have faith. And you will not complete your faith until you love one another*” therefore no terrorist action is possible to be done on His name, and religion is only a poor excuse for a new and evil form hooliganism, since no religion preaches violence and brutality against innocents, and the Muslim religion for sure does not preach violence nor barbarian murder.

If each human life is a precious creation of God, no man has the moral or the legal right to take it with his hands. Each murder is an act of denial of God, no matter what name each religion calls to God.

May God, almighty, receive in His glory the souls of the innocent victims and give eternal punishment to the perpetrators.

Magisterial House, on the 22nd March 2016

His Most Eminent Highness José, Prince
GRAND MASTER
